Accredited by

WHAT'S INSIDE

- ▶ Workshop on POSH
- ▶ Orientation Day for B.Tech, MBA, MCA
- ▶ Independence Day
- ▶ Orientation Day for Diploma
- ▶ Lord Ganesh Puja
- ▶ Teachers Day and Debate competition
- ▶ Study Tour (B.Tech. CSE)
- ▶ Lord Vishwakarma Puja
- ▶ Meri Life- Tree Plantation Drive
- ▶ Freshers Party (VIBRANCE 2025-26) - B.Tech
- ▶ Training on CPR
- ▶ Freshers Party (UDAAN 2025-26) - MCA (SITARA 2025-26) - Diploma (JASHN 2025-26) - MBA

About The College...

G.A.T.E. began its journey in the year 2009 at Berhampur, the Silk City of Odisha. It is approved by AICTE New Delhi, Affiliated to BPUT, Rourkela, Odisha and SCTE & VT, Odisha. The Institute works with a mission to provide quality education of international standards for producing technocrats and future leaders in a disciplined and conducive environment as an integral part of our social commitment to promote education globally. The campus spread over an area of 20 acres. It has its own hostels separately for boys & Girls. The institute have facilities like Central Air-Coditioned Library, Reading Room, Central Canteen, Dispensary, Multi Gym, Sports Ground, High tech Seminar Hall, 24 hrs Internet Facility with Wi-Fi. The Campus is located aside of NH-16 in the serene environment at Golanthara, just 8 Kms away from the silk City Berhampur.

... VISION ...

To emerge as one of the best value-based and globally recognised educational institute working for excellence in imparting quality education to the students to nurture their inherent talent as innovative professional in technical and managerial fields there by making them competitiveness to meet all the future challenges of global economy.

... MISSION ...

- ▶ To be a student centric institute focusing on experiential, innovative and lifelong learning skills to address the societal problems.
- ▶ To prepare the students with high professional skills and ethical values.
- ▶ To impart knowledge through best practices.
- ▶ To establish a spirit of innovation through training, R & D and by strengthening the industry collaborations.
- ▶ To achieve the academic excellence through intellectual, emotional and social stimulations.

PRINCIPAL'S MESSAGE

Prof. (Dr.) GOURI SHANKAR MOHAPATRO
PRINCIPAL

Gandhi Academy of Technology and Engineering (GATE) was established in year 2009. Since the inception days, it has steadily flourished and recognised throughout the country for its academic excellence. GATE being the premier institute of South-Odisha offers both Graduate & Post-graduate programmes. We offer B.Tech & Diploma in Mechanical Engineering, Civil Engineering, Electronics & Comm. Engineering, Computer Science & Engineering, Electrical Engineering, Master in Computer Application (MCA) and Master of Business Administration (MBA). GATE is accredited by NAAC with 'A' Grade and The Civil Engineering & Electrical Engineering of Diploma and Mechanical Engineering of B.Tech are accredited by NBA.

I extend my heartfelt gratitude to our Hon'ble Chairman, Sri Manoj Kumar Palo, and Secretary, Sri Danardan Panda both are visionary educationists and dedicated social workers. Their unwavering support, guidance and commitment to the cause of education have been instrumental in bringing this newsletter to life. Their mission to nurture young minds and promote learning continues to inspire us in every endeavor. Through their leadership and encouragement, we have created a platform that showcases the achievements, creativity, and aspirations of our college community. We sincerely thank them for their constant motivation and for being the guiding light in this journey.

Co-curricular activities are given due importance at G.A.T.E. We have both faculty and student chapters of Indian Society for Technical Education (ISTE). We have also various department and institute level societies and clubs to encourage students to look beyond the examination-centric learning, to explore and innovate and to be life-long learners. Physical Education is as important, if not more, as other domains of learning. A healthy mind requires a healthy body. We have excellent sports & games infrastructure.

I extend my best wishes to all the graduating and post-graduating students for a bright and prosperous future. I warmly welcome to those who are aspiring to be engineers and business leaders to come and join us to explore and experience the joy of learning and innovations.

Courses Offered

► BACHELOR OF TECHNOLOGY (B.Tech)

- Computer Science & Engineering
- Computer Science & Engg. (Artificial Intelligence)
- Computer Science & Engg. (Data Science)
- Electronics & Comm. Engineering
- Mechanical Engineering
- Electrical Engineering
- Civil Engineering

► DIPLOMA

- Computer Science & Engineering
- Electronics & Tele Comm. Engineering
- Mechanical Engineering
- Electrical Engineering
- Civil Engineering
- Post Diploma in Industrial Safety

► MCA

- Master in Computer Application

► MBA

- Master of Business Administration
- Finance Management
- General Management
- International Business Management
- Marketing Management

Workshop on “Prevention of Sexual Harassment”

Gandhi Academy of Technology and Engineering (GATE), Golanthara, organized a workshop on “Prevention of Sexual Harassment” on 6th Aug. 2025 to promote awareness among students and staff about creating a safe and respectful academic environment. The workshop was graced by Ms. Rashmita Kumari Panigrahi, Zonal Chairperson of the International Human Rights Council, emphasized gender sensitivity, preventive measures, legal provisions, and support mechanisms under the POSH Act.

The session was convened by Dr. Minakshi Sahu, who highlighted the role of awareness programs in ensuring student safety. Dr. Gouri Shankar Mohapatro, Principal of GATE, presided over the program and reaffirmed the institution’s commitment to a harassment-free campus. The event concluded with an interactive session where students and faculty members actively participated, making the workshop impactful and insightful.

Orientation Day for B.Tech

The Orientation Day celebration at Gandhi Academy of Technology and Engineering, Berhampur was conducted with great enthusiasm to welcome the new batch of students into the academic family on 14th Aug. 2025. The program began with a warm inaugural session, followed by motivational speeches from the Principal, faculty members and distinguished guest **Pandit Matru Prasad Mishra** (Researcher of Jagannath Sanskruti) highlighting the vision, mission and opportunities offered by the institution. Students were introduced to the college culture, academic curriculum & various clubs & activities that would help shape their careers and personalities. Cultural performances by seniors added charm to the event, creating a friendly & encouraging environment.

76th Independence Day Celebration

Gandhi Academy of Technology and Engineering College proudly hoisted the 76th Independence Day celebration on 15th August 2025. The occasion was marked with solemnity and patriotic fervor, commemorating the spirit of freedom and honoring the sacrifices of our nation's heroes. The celebration began with the hoisting of the national flag at the college premises, followed by the singing of the National Anthem, creating an atmosphere of unity and pride among students, faculty, and staff. The event was attended by the college administration, faculty members, and students, who came together to pay tribute to the nation. In his address, Dr. Gouri Shankar Mahapatra, Principal of Gandhi Academy of Technology and Engineering, emphasized the significance of Independence Day and encouraged students to uphold the values of patriotism, responsibility, and integrity in their personal and professional lives. He highlighted the importance of remembering the struggles and sacrifices of freedom fighters who laid the foundation of modern India.

Orientation Day for DIPLOMA

The college successfully organized the Orientation Day for Diploma students on 19th August 2025, marking a new beginning in their academic journey. The program aimed to welcome the fresh batch of students, familiarize them with the academic environment, and motivate them for excellence.

The event was graced by Dr. Gouri Shankar Mohapatra, Principal and Dr. Ullash Chandra Satapathy, HOD (BS&H).

The ceremony began with a warm welcome address, followed by inspiring speeches by esteemed Chief Guest **Sri Sidharath Sankar Sahu** (HOD, Electrical Engg.) of UCP Engineering School, Berhampur highlighted the importance of discipline, determination & innovation in shaping a successful career. Dr. Gouri Shankar Mohapatra, in his address, emphasized the value of education, ethical learning, and holistic development during the diploma program.

The program includes introduction to the faculty members, an overview of the curriculum, orientation on campus facilities, student support services and extracurricular opportunities.

The Orientation Day concluded with an interactive session where students shared their expectations and aspirations followed by the vote of thanks. The event successfully set a positive tone, motivating the students to begin their academic journey with confidence and enthusiasm.

We welcome all new diploma students to the college family and wish them a bright and successful future.

Lord Ganesh Puja

Ganesh Puja was celebrated with great enthusiasm at G.A.T.E, Berhampur bringing together students, faculty and staff in a spirit of devotion and festivity. The celebration began with the installation of Lord Ganesh's idol beautifully decorated with flowers and lights followed by traditional rituals and prayers seeking blessings for wisdom, prosperity and success in academic as well as in personal life.

Students actively participated in organizing cultural programs, bhajans and competitions which added vibrancy to the occasion. The entire campus was filled with joy and devotion, creating an atmosphere of unity and togetherness. The event not only highlighted our cultural values but also strengthened the bond among the college community.

Teachers' Day Celebration & Debate Competition

On the Occasion of Teachers' Day 2025. Gandhi Academy of Technology and Engineering proudly celebrated Teachers' Day with great enthusiasm and fervor on 5th September 2025. The event was organized to honor and appreciate the relentless efforts and guidance of our esteemed faculty members, who continue to inspire and shape the future of our students.

The celebration commenced with a heartfelt welcome speech, expressing gratitude to our beloved teachers for their dedication and invaluable contribution to the academic and personal growth of students. The atmosphere was filled with joy, admiration, and respect for the mentors who have always been a guiding light to the academy's community.

As part of the celebration, a debate competition was conducted among students on thought-provoking topics that encouraged critical thinking and eloquent expression. The competition witnessed enthusiastic participation with students presenting their arguments confidently and passionately. The judging panel, comprising senior faculty members, evaluated participants based on clarity, content, presentation and persuasion skills. The winners of the debate competition were felicitated with certificates and attractive prizes.

The prize distribution ceremony added a moment of pride and accomplishment, acknowledging the hard work, talent and perseverance of our students. On this memorable occasion, Dr. Gouri Shankar Mohapatro, Principal has extended warm wishes to all teachers and students highlighting the importance of teachers in nurturing knowledge, values & leadership qualities.

Study Tour

As a part of the academic curriculum and industry exposure initiatives, Gandhi Academy of Technology and Engineering organized a study tour to Quantum ware Technical Services Pvt. Ltd. on 12th September 2025 (Friday). This industrial visit aimed to provide students with practical insights into the functioning of a modern technical services company and to bridge the gap between classroom learning and real-world applications.

The tour was coordinated and guided by faculty members Dr. Minakshi Sahu, Miss Subhashree Padhy and Mr. Sameer Kumar Sahu whose efforts ensured the smooth execution of the visit.

During the visit, students were given a comprehensive overview of the company's operations including software development processes, project management methodologies, quality assurance protocols and client servicing models. Professionals from Quantum ware interacted with the students, shedding light on current industry trends required technical skills and career opportunities in the IT sector.

The visit proved to be a valuable learning experience, enhancing the students' understanding of real-time project environments and professional workplace ethics. It also motivated many to align their academic goals with industry expectations. The management of Gandhi Academy of Technology and Engineering extended heartfelt gratitude to Quantum ware Technical Services Pvt. Ltd. for their warm hospitality and for providing students with such a meaningful and inspiring experience.

Lord Viswakarma Puja and Cultural Festivities

Viswakarma Puja was celebrated as "A Blend of Tradition and Talent" with devotion and enthusiasm, honoring the divine architect and creator. The day began with a solemn Puja ceremony, where faculty, staff and students offered prayers for prosperity, innovation and success. The ritual reflected reverence for craftsmanship, technology and creativity. This was followed by a vibrant cultural program where students showcased their talents in dance, music and skits, filling the campus with energy and joy. The celebration not only entertained but also emphasized the importance of preserving tradition while encouraging innovation and holistic development. The event truly embodied vision of blending cultural heritage with modern education.

Meri Life – Tree Plantation Drive at GATE

Gandhi Academy of Technology and Engineering (GATE), Golanthara, organized a tree plantation program under the “Meri Life” initiative on 17th Sept. 2025. The event aimed at promoting environmental sustainability and creating awareness about the importance of a greenery campus. The drive was graced by the presence of Dr. Gouri Shankar Mohapatro, Principal along with faculty, staff and students who collectively planted 500 nos. of saplings inside the campus. This initiative reflected the institution’s commitment to environmental conservation & instilled a sense of responsibility among the students to protect nature.

Freshers Party B.Tech (VIBRANCE 2025-26)

The Freshers’ Day celebration on 18th Sept. 2025 at Gandhi Academy of Technology and Engineering (GATE), Berhampur was a lively and memorable event organized to welcome the new batch of students into the college family. The program began with a formal welcome address by the faculty followed by exciting cultural performances including dances, songs, skits and games presented by the seniors. The highlight of the day was the “Mr. & Miss Fresher” contest, where newcomers showcased their talents and confidence. The event created an atmosphere of joy, friendship and bonding between seniors and juniors helping the freshers to feel comfortable and a part of the institution. The celebration truly reflected the spirit of unity, creativity and enthusiasm that defines life at GATE.

Training on CPR

A Cardio Pulmonary Resuscitation (CPR) Training Workshop was successfully conducted on 19th September 2025 at the Conference Hall in collaboration with Sri Satya Sai Seva Samiti, Berhampur. This initiative aimed at equipping students and staff with life-saving emergency response skills. The training session was conducted by Sri Satya Sai Seva Organisation, Berhampur, under the guidance of Sri Sai Ram Venkata Rao. The key medical expert Dr. Prashanti (PG, MKCG Medical College) was present in this event.

A team of experienced Master Trainers Mr. Manas Kumar Patro, Mr. Sai Kanha Sethy, Mr. Bibhu Prasad Kampo and Mr. Subhashis Mohanty facilitated the hands-on CPR sessions.

The event witnessed enthusiastic participation with more than 150 students and faculty members actively engaging in the live demonstrations and practical drills. Participants learned essential skills like chest compressions, rescue breathing and handling cardiac emergencies effectively until medical help arrives.

Freshers Party MCA (UDAAN 2025-26)

The MCA Department of our college has organized its much-awaited Freshers' Party "Udaan 2025-26" on 20th September 2025 with an aim to warmly welcome the new batch of students and to encourage them to spread their wings toward success. The event began with the auspicious lighting of the lamp and an inspiring welcome address by the faculty members. We were honoured by the gracious presence of Dr. Gouri Sankar Mohapatro, who inspired the students with his motivational words. He emphasized the importance of innovation, discipline and teamwork in the journey of MCA students. The Head of the MCA Department expressed pride in the talents of the students and extended best wishes for their academic journey. Udaan 2025-26 was not just a party but a platform where talent met an opportunity and friendship with fun.

Diploma Freshers Party (SITARA 2025-26)

Welcoming a New Journey with Smiles and Stars, the Seniors of Diploma Engineering proudly organized the Freshers' Party SITARA 2025 on 25th Sept. 2025 to extend a warm welcome to the new batch students. The event was held with great enthusiasm and joy, marking the beginning of an exciting academic journey. We were honored by the gracious presence of Dr. Gouri Sankar Mohapatro whose inspiring words motivated the students to dream big, stay disciplined and shine like true sitara. A vibrant cultural program showcasing the talents of our Diploma students. Fun-filled games and interactive sessions that brought seniors and fresher's closer. A rocking dance floor, music, and laughter that lit up the evening. Heartfelt welcome speeches were given by faculty members encouraging students to excel both in academics and extracurricular activities.

Freshers Party MBA (JASHAN 2025-26)

The P.G. Department of Management proudly organized the Freshers' Party (JASHAN 2025-26) on 26th Sept. 2025 to warmly welcome the new batch of MBA students. The celebration was filled with enthusiasm, energy & togetherness, making it a memorable beginning for the aspiring managers of tomorrow. We were privileged to have the presence of Dr. Gouri Sankar Mohapatro as the Guest. His motivating address encouraged the students to focus on discipline, leadership & innovation as the keys to success in their MBA journey & beyond. "JASHAN 2025-26" was more than just a party. It was a celebration of fresh starts, where possibilities and aspirations came together. The event concluded with joy, unity and the promise of a successful academic and professional journey for the freshmen MBA students.
