- Campus Placement Drive
- Inauguration of Annual Sports and Cultural Meet
- Swachh Bharat Abhiyan
- Campus Placement Drive
- Inauguration of Cricket Championship

MARCH

- International Womens Day
- Awareness Program on Tobacco Abuse
- Expert Talk on AI and Quantum Computing
- Career Counselling Programme
- Annual Tech- Fest (GLANCE 2026)

About The College...

G.A.T.E. began its journey in the year 2009 at Berhampur, the Silk city of Odisha. It is approved by AICTE New Delhi, Affiliated to BPUT, Rourkela, Odisha and SCTE & VT, Odisha. The Institute works with a mission to provide quality education of international standards for producing technocrats and future leaders in a disciplined and conducive environment as an integral part of our social commitment to promote education globally. The campus spreads over an area of 20 acres. It has its own hostels separately for boys & Girls. The institute has facilities like Central Air-Conditioned Library, Reading Room, Central Canteen, Dispensary, Multi Gym, Sports Ground, High tech Seminar Hall, 24 hrs Internet Facility with Wi-Fi. The Campus is located aside of NH-16 in the serene environment at Golanthara, just 8 Kms away from the silk city Berhampur.

... VISION ...

To emerge as one of the best value-based and globally recognised educational institute working for excellence in imparting quality education to the students to nurture their inherent talent as innovative professional in technical and managerial fields there by making them competitiveness to meet all the future challenges of global economy.

... MISSION ...

- To be a student centric institute focusing on experiential, innovative and lifelong learning skills to address the societal problems.
- To prepare the students with high professional skills and ethical values.
- To impart knowledge through best practices.
- To establish a spirit of innovation through training, R & D and by strengthening the industry collaborations.
- To achieve the academic excellence through intellectual, emotional and social stimulations.

PRINCIPAL'S MESSAGE

Prof. (Dr.) GOURI SHANKAR MOHAPATRO
PRINCIPAL

Gandhi Academy of Technology and Engineering (GATE) was established in year 2009. Since the inception day, it has steadily flourished and recognised throughout the country for its academic excellence. GATE being the premier institute of South-Odisha offers both Graduate & Post-graduate programmes. We offer B.Tech & Diploma in Mechanical Engineering, Civil Engineering, Electronics & Comm. Engineering, Computer Science & Engineering, Electrical Engineering, Master in Computer Application (MCA) and Master of Business Administration (MBA). GATE is accredited by NAAC with 'A' Grade and The Civil Engineering & Electrical Engineering of Diploma and Mechanical Engineering of B.Tech are accredited by NBA.

I extend my heartfelt gratitude to our Hon'ble Chairman, Sri Manoj Kumar Palo and Secretary, Sri Danardan Panda both are visionary educationists and dedicated social workers. Their unwavering support, guidance and commitment to the cause of education have been instrumental in bringing this newsletter to life. Their mission to nurture young minds and promote learning continues to inspire us in every endeavor. Through their leadership and encouragement, we have created a platform that showcases the achievements, creativity, and aspirations of our college community. We sincerely thank them for their constant motivation and for being the guiding light in this journey.

Co-curricular activities are given due importance at G.A.T.E. We have both faculty and student chapters of Indian Society for Technical Education (ISTE). We have also various department and institute level societies and clubs to encourage students to look beyond the examination-centric learning, to explore and innovate and to be life-long learners. Physical Education is as important, if not more, as other domains of learning. A healthy mind requires a healthy body. We have excellent sports & games infrastructure.

I extend my best wishes to all the graduating and post-graduating students for a bright and prosperous future. I warmly welcome to those who are aspiring to be engineers and business leaders to come and join us to explore and experience the joy of learning and innovations.

●●● Courses Offered ●●●

► BACHELOR OF TECHNOLOGY (B.Tech)

- Computer Science & Engineering
- Computer Science & Engg. (Artificial Intelligence)
- Computer Science & Engg. (Data Science)
- Electronics & Comm. Engineering
- Mechanical Engineering
- Electrical Engineering
- Civil Engineering

► DIPLOMA

- Computer Science & Engineering
- Electronics & Tele Comm. Engineering
- Mechanical Engineering
- Electrical Engineering
- Civil Engineering

► POST DIPLOMA

- Post Diploma in Industrial Safety

► MCA

- Master in Computer Application

► MBA

- Master of Business Administration
 - Finance Management
 - General Management
 - International Business Management
 - Marketing Management

Campus Placement Drive

A Campus Placement Drive was successfully conducted by Amcart Technologies for B.Tech and Diploma students of Electrical, Mechanical, and ECE branches. The session was led by Vanam Naidu Babu, who explained the company profile and career opportunities in Calibration Services and QA/QC Testing. The drive provided students with valuable industry insights and helped bridge the gap between academic learning and professional requirements.

Run for Swadeshi Marathon on National Youth Day

On the occasion of National Youth Day, commemorating the 164th birth anniversary of Swami Vivekananda, Gandhi Academy of Technology and Engineering, Berhampur organized a "Run for Swadeshi" marathon to promote fitness, patriotism, and youth empowerment. The event was graced by Chief Guest Swami Akhilananda Tirtha, who inspired students with his motivational address. Sadhvi Bhakti Bharati also spoke about the ideals and teachings of Swami Vivekananda. Students and faculty participated enthusiastically, making the program a meaningful tribute to youth strength, discipline, and national values.

Participation in Zonal Polyfest

Students actively participated in Polyfest 2026 held at UCP College Berhampur from January 20 to 22, 2026. The event included various technical, cultural, and skill-based competitions. Participants showcased their talents, exchanged ideas with students from different institutions, and gained valuable experience. Their enthusiastic participation made the event memorable and contributed to enhancing creativity, teamwork, and confidence among the students.

16th National Voters Day

The 16th National Voters Day was celebrated with great enthusiasm to promote awareness about the importance of voting and democratic participation. The programme highlighted the significance of every citizen's right and responsibility to vote in strengthening democracy. Faculty members and students participated actively and took a pledge to uphold the values of the Constitution and exercise their voting rights responsibly. Various awareness activities were conducted to encourage young voters to participate in elections. The celebration reflected a strong commitment towards building an informed, responsible, and participative society.

77th Republic Day

With great pride and patriotic spirit, Gandhi Academy of Technology and Engineering, Berhampur celebrated the 77th Republic Day of India. Students, faculty, and staff gathered on the campus to honor the values of the Constitution and remember the sacrifices of great leaders who shaped the nation. On this occasion, the Principal, Prof. (Dr.) Gouri Shankar Mohapatro, addressed the gathering and delivered an inspiring speech highlighting the importance of constitutional values, discipline, responsibility, and the role of youth.

Campus Placement Drive

A campus placement drive was successfully organized at Gandhi Academy of Technology and Engineering, Berhampur by Marelli Motherson Lighting for B.Tech and Diploma students from Electrical, Mechanical, Civil, and ECE branches. The session was conducted by Pavan Kumar Rajput and Omkar Kulkarni, who shared valuable insights about the company and its advanced lighting technologies. They also discussed industry requirements, career opportunities, and growth prospects in modern lighting solutions. The placement drive helped students gain industry exposure and guidance for their future careers. The institution expressed gratitude to the company representatives for their support in shaping students' professional journeys.

Free Mega Eye Checkup Camp

A Free Mega Eye Check-Up Camp was successfully organized on February 7. The programme was inaugurated by the Principal, Prof. (Dr.) Gouri Shankar Mohapatro. The event was graced by Ullash Chandra Satapathy, Vice-Principal, and Biswa Bihari Rath. A total of 114 eye tests were conducted by the medical team including Tanmay Kumar Barala, Sarita Swain, and Tushar Kumar Patra. The programme was coordinated by Prakash Kumar Shukla and Ajit Kumar Bhuyan.

Campus Placement Drive

A Campus Placement Drive was organized by Kia Motors for B.Tech and Diploma students of Electrical, Mechanical, and ECE branches. The session was conducted by Uma Sankar, Yogesh, and Manish. They explained automobile production processes, modern manufacturing systems, and career opportunities. The drive provided students with valuable industry exposure and guidance for future careers in the automobile sector.

Inauguration of Annual Sports and Cultural Meet

The Annual Sports and Cultural Meet GLANCE- 2026 was inaugurated with great enthusiasm. The ceremony was inaugurated by the Principal, Prof. (Dr.) Gouri Shankar Mohapatro, who highlighted the importance of co-curricular activities in student development. The event aims to provide a platform for students to showcase their talents in sports and cultural activities. The enthusiastic participation of students and faculty made the inauguration vibrant, reflecting the institution's commitment to holistic education & overall development.

Inauguration of Annual Sports and Cultural Meet

Swachh Bharat Abhiyan

As part of the Swachh Bharat Abhiyan, a cleanliness drive was organized on February 16, 2026 at the premises of Lord Isaneswar Temple. Students and faculty members actively participated in the programme, promoting awareness about cleanliness, hygiene, and environmental responsibility. The initiative aimed to encourage community service and inspire citizens to maintain clean surroundings, reflecting a strong commitment to building a cleaner and healthier nation.

Campus Placement Drive

A Campus Placement Drive was organized by Ind-Sphinx Precision Ltd. for Diploma students of all branches. The session was conducted by Radhakanta Parida, who explained the company's production processes and manufacturing of high-precision PCB drills, routers & CNC tools. Students gained insights into precision engineering, CNC machining technologies, and career opportunities in the PCB manufacturing industry.

Inauguration of Cricket Championship

The GATE Cricket Championship 2026 was successfully inaugurated, marking the beginning of an exciting sporting event on campus. The programme was inaugurated by the Principal, Prof. (Dr.) Gouri Shankar Mohapatro, who highlighted the importance of sports in developing discipline, leadership, and team spirit among students. He encouraged participants to play with dedication and uphold the true spirit of sportsmanship. The championship aims to promote teamwork, physical fitness, and healthy competition among students. The event witnessed enthusiastic participation, reflecting a strong commitment to holistic development through sports and extracurricular activities.

International Women's Day

International Women's Day was celebrated with great enthusiasm. The programme highlighted the importance of women empowerment, confidence and equal opportunities in society. The event was graced by Chief Guest Dr. Anubha Choudhury, Department of IRPM, Berhampur University. The programme was presided over by the Principal, Prof. (Dr.) Gouri Shankar Mohapatro. Cultural competitions were organized for women faculty and staff. The programme was hosted by Bharati Sahu, and the vote of thanks was delivered by Ullash Chandra Satapathy.

Awareness Programme on Tobacco Abuse

An awareness programme on tobacco abuse was organized by the medical team of Community Health Centre Keluapalli. The programme aimed to educate students and staff about the harmful effects of tobacco consumption and promote a healthy lifestyle. Health professionals explained the serious risks associated with tobacco use, including Oral Cancer, Lung Cancer, and Heart Disease. Essay writing, quiz, and drawing competitions were also organized to encourage awareness. The initiative successfully motivated participants to adopt a tobacco-free and healthy lifestyle.

Expert Talk on AI and Quantum Computing

An Expert Talk on “NLP of AI Superposition & Entanglement of Quantum Computing” was organized on March 30, 2026. The session was delivered by Dr. P. N. Singh, Professor in the CSE Department at GMR Institute of Technology, Rajam, AP. The talk provided valuable insights into advanced concepts of Artificial Intelligence and Quantum Computing. The speaker explained complex topics like superposition and entanglement in an easy and engaging manner. The session enhanced the technical knowledge of participants & encouraged them to explore emerging technologies in AI and quantum computing.

Career Counselling Programme

A Career Counselling Programme was organized for the students to guide them in making informed career choices. The session focused on exploring various career opportunities, higher education options & industry requirements. Students gained valuable insights into skill development, goal setting and the importance of continuous learning. The programme also highlighted the need for strong communication, technical expertise & confidence to succeed in today's competitive world. Overall, the session was highly beneficial and helped students gain clarity about their future career paths

GLANCE 2026 (A Vibrant Tech Fest)

A two-day Annual Tech Fest was successfully organized on 19th and 20th, March 2026 with great enthusiasm. The event witnessed active participation from diploma, B.Tech, and PG students. Both days were graced by Chief Guest Er. Satya Sankar Raj, who inspired students to enhance their technical skills and innovation. Various technical and cultural activities were conducted along with vibrant DJ nights. Principal Prof. (Dr.) Gouri Shankar Mohapatro appreciated the efforts of participants and organizers. The fest concluded successfully, promoting creativity, teamwork and practical learning among students.
