RESPONSE

1.3.2: Percentage of students undertaking project work/field work/ internships (Data for the latest completed academic year)

1.3.2.1: Number of students undertaking project work/field work / internships for the academic year 2022-23 = 1375

Total No of students available in the academic year 2022-23=1423

$$\text{PERCENTAGE} = \frac{1375}{1423} \times 100 = 96.62 \%$$

Study Tour Report

Department of Mechanical Engineering

(Industrial visit to Saraf titanium Park)

On 15th March 2023, 100 numbers of students of 2022-23 Batch (5th Sem) from Department of Mechanical Engineering leading by Asst. Professor of Mechanical Engineering Mr. Dillip Kumar Biswal, visited Saraf titanium park. The group arrived at 12 noon on the day, at the main office, and had been given a brief explanation of the establishment, production and benefits to students to provide technical knowledge with the technological development in the industry and to understand the gap between the theoretical and practical knowledge that could be passed in future.

Visited to Saraf titanium park on 15/03/2022 (12:30pm)

Outcomes of the visit:

- Students to get knowledge about an organization to gain in depth knowledge about the field of their interest, helping them make the correct choice in future.

The visited students were able to connect their experience at the factory to academic disciplines including fundamental of engineering, among others.

Study Tour Report

Department of Electronics and Communication Engineering (Study tour to BSNL Office)

On 30th January 2023, 30 numbers of students of 2022-23 Batch (5th Sem) from Department of Electronics and communication engineering leading by Asst. Professor of Electronics and communication engineering Mr.Sanjay Kumar Padhi, visited BSNL Office, Chatrapur. The group arrived at 12 noon on the day, at the main office and had been given a brief explanation of the establishment, production and benefits to students to gain the knowledge of those departments like telecommunication, program controller unit, digital signal design, Tower signal strength and use of logical information through PC, Automation work etc.

Visited to BSNL Office, Chatrapur on 30/01/2022 (11:20am)

Outcomes of the visit:

- Students gain the hands-on competency skills like splicing the optical fiber cable, Radder communication, transmitting and receiving the antenna, noise reduction signal tuning, and PC technology.
