Study Tour Report

Department of Master of Computer Application

(Study tour to Tech Mahindra, Bhubaneswar)

On 22th November 2022, 100 numbers of students of 2022-23 Batch (2nd Year) from Department of master of computer application leading by Asst. Professor of master of computer application Mr. Pinaki Bhushan Nayak, visited Tech Mahindra, Bhubaneswar. The group arrived at 12pm in the morning, at the main office, and had been given a brief explanation of the establishment, operation, and benefits provided to students with a chance to meet industry leaders and corporates who share their wisdom, learning and experiences.

Visited to Tech Mahindra, Bhubaneswar on 22/11/2022 (02:05pm)

Outcomes of the visit:

- Students to get an opportunity to experience how professional life and learn about company policies in terms of production, quality and service management and acquaint themselves with the working of instruments during the course curriculum.

Study Tour Report

Department of Mechanical Engineering

(Industrial visit to Saraf titanium Park)

On 15th March 2023, 100 numbers of students of 2022-23 Batch (5th Sem) from Department of Mechanical Engineering leading by Asst. Professor of Mechanical Engineering Mr. Dillip Kumar Biswal, visited Saraf titanium park. The group arrived at 12 noon on the day, at the main office, and had been given a brief explanation of the establishment, production and benefits to students to provide technical knowledge with the technological development in the industry and to understand the gap between the theoretical and practical knowledge that could be passed in future.

Visited to Saraf titanium park on 15/03/2022 (12:30pm)

Outcomes of the visit:

- Students to get knowledge about an organization to gain in depth knowledge about the field of their interest, helping them make the correct choice in future.

The visited students were able to connect their experience at the factory to academic disciplines including fundamental of engineering, among others.

Dear Sir/Madam

This has reference to your letter(s) regarding imparting of internship training to some student(s) of your institute as per annexure.

We are pleased to inform you that your student(s) is/are permitted to undergo internship training at our plant site as per scheduled date mentioned in annexure subject to fulfilment of the terms and conditions mentioned below:-

- a) The period of training would be as mentioned in annexure.
- b) The student(s) will report to HRD Department, on the first day of commencement of training for further instruction and guidance, along with one Passport size photo and one Stamp size photo for registration and Gate Pass. They are also required to come with their College Identity Card for verification.
- c) The student will be responsible for his/her own safety in the Plant premises during the training period and bring his/her own personal protective equipment (Safety Helmet & Safety Shoes etc).
- d) No payments in any form will be made to student(s) during the training period. The student(s) will bear his/her own lodging, boarding, transport, project cost and other expenses, if any.
- e) The training period will not be counted for any claim of employment in the company.
- f) A copy of the Project Report has to be submitted to HRD Department on completion of training.

On acceptance of the above terms and conditions, the student(s) will be allowed to undergo training at our plant site.

The Company reserves the right to control, extend and to cancel the training without assigning any reason.

Thanking You

Principal
Gandhi Academy of
Technology and Engineering, Berhampur

Dear Sir/Madam,

We are pleased to inform you that your student(s) is/are permitted to undergo internship training at our plant site as per scheduled date mentioned in annexure subject to fulfilment of the terms and conditions mentioned below:-

- The period of training would be as mentioned in annexure.
- The student will be responsible for his/her own safety in the Plant premises during the training period and bring his/her own personal protective equipment (Safety Helmet & Safety Shoes etc).
- No payments in any form will be made to student(s) during the training period. The student(s) will bear his/her own lodging, boarding, transport, project cost and other expenses, if any.
- The training period will not be counted for any claim of employment in the company.
- A copy of the Project Report has to be submitted to HRD Department on completion of training.

On acceptance of the above terms and conditions, the student(s) will be allowed to undergo training at our plant site.

The Company reserves the right to control, extend and to cancel the training without assigning any reason thereof

Thanking You
